

Nambe Pueblo Healthy Family Services (NPHFS)

Our Mission is to promote the wellness of individuals and community by providing quality cultural services through adaptable measures to increase safety, awareness, accountability, and healthy families.

Our Vision is living the spirit of sacredness through the integration of core values and integrity.

Our Values Are:

Respect- To honor others and treat all individuals with dignity.

Trust & Confidentiality- All relationships will be established based on trust, confidentiality, and integrity. Services will be provided in a non-judgmental atmosphere incorporating availability and reliability.

Safety & Support- All services will be comprehensive and provided in a safe atmosphere.

Compassion- All services will be provided in a compassionate and supportive manner to achieve wellness.

Wisdom- The sharing of life experiences, knowledge and self-discipline.

“If you believe you are a victim of domestic violence or a victim of other crimes please don’t hesitate to contact the Nambe Pueblo Healthy Family Services for further information.”
